

THERE IS POWER IN THE BLOOD

By Anna W. Prosser

THE blood tracks the past and opens up the future; from Genesis through the Revelation it is the blood, the blood! Before the record of man's sin could scarcely dry upon the book of the skies God had slain an innocent animal to furnish a coat for naked and guilty man; there in Eden was the blood! It was the sacrifice of blood that made Abel righteous and the absence of blood brought condemnation to Cain. Blood on the doorposts saved the first born of Israel; its absence let fall the sword of the destroying angel that brought the wail of death to ten thousand homes in the land of Egypt. Have you the blood upon the doorpost of your heart, my beloved reader? If not, attend to it at once, ere the angel of justice strike you down in your sin and ruin. There is no time to lose, justice is on your track, mercy now pleads, what will you do? There is life for a look at the Crucified One. "There is power in Jesus' Blood!" 'None have gone so far, but that the blood can avail! Does your conscience trouble you with dead works? There is cleansing for you in the blood. Does an evil heart of unbelief molest you? There is freedom in the blood. Press to the crimson fountain, and be made every whit whole. "There is power in Jesus' blood!"
